

# THE TRINITY

## LESSON 3: The Divine Relationship

**ANCHOR STATEMENT:** God the Father, God the Son, and God the Holy Spirit live in perfect community with one another, and although unique in roles, all three are united in goals.

### **MAIN PASSAGE: Luke 3:21-22**

*21 When all the people were being baptized, Jesus was baptized too. And as he was praying, heaven was opened  
22 and the Holy Spirit descended on him in bodily form like a dove. And a voice came from heaven: "You are my Son, whom I love; with you I am well pleased."*

**WHAT WE WANT STUDENTS TO KNOW:** How the Trinity works together in perfect unity and what we as the Church can learn from that.

**WHAT WE WANT STUDENTS TO DO WITH WHAT THEY'VE LEARNED:** Learn from the unity of the Trinity and see where that unity can help them as a church grow together.
